

# 2011 Chicagoland CSA Guide

## Great news Chicagoland!

You now have more CSA choices than ever. Please use this guide to narrow down your search by pickup location.

Then, visit The Local Beet ([www.thelocalbeet.com](http://www.thelocalbeet.com)) for more information about your top choices, or check out the farm's website or give them a call. This guide contains single-farm CSA, mulit-farm CSA, year-round options which supplement from non-local sources in the off-season, and even meat CSA listed on the back.

No matter how you choose, you're supporting Good Food Farmers!

The 2011 Guide to Chicagoland CSA is a joint production of FamilyFarmed.org and the Local Beet.
